## FALLING OF STONE BELIEVED CAUSE

### Miner Found Dying In An Abandoned Home — Believed Large Stone From Old Structure Responsible By Hitting Man On Head

### TOOK REFUGE FROM STORM

### Unfortunate, a Greek, Is 38 Years Old, And An Employe at Denbo—Dying Statement Is That "Nobody Hit Me" — No Relatives Here

John Boutfis, 38 years old, a Greek, an employe of the Vesta Company of Denbo, who left his boarding house at Denbo Sunday afternoon and did not return, was found in a dying condition in a deserted stone house near Denbo by Julian Lawhead, of the same place Tuesday evening at 9 o'clock.

Boutfis lived long enough to say to attendants in the Brownsville hospital where he was taken: "Nobody hit me."

It is thought the Greek had gone into the old house to avoid a storm Sunday afternoon and one of the large stones which was loose in the wall was blown loose and dropped on his head.

He being found in the basement of the house it is thought he staggered about the building crazed from the fractured skull and fell through the hole in the floor.

Th finding of the loose stone, the man being found in the cellar under a hole in the floor, and his statement that nobody had hit him coupled with his reputation for abstinence from intoxicating drink led the authorities to the belief that the falling stone and nothing else caused the foreigner's death.

He had no relatives in this country. The body is now at the Kightlinger mortuary, Brownsville.

### LOCAL RELATIVES ATTEND FUNERAL OF THOMAS OATES

Mr. and Mrs. William Geiler and family, Mr. and Mrs. James Oates, Sr., and family, Mr. and Mrs. James Oates, Jr., and Miss Winifred Oates, all of this place, are in McKeesport today in attendance at the last sad rites of Thomas Oates, 22, who was killed in an automobile accident Sunday morning. Funeral services took place in St. Joseph's Catholic church at 9 o'clock this morning, followed by interment in St. Joseph's cemetery.

## Quarrel Over Girl Blamed For A Shooting

Herbert Rodgers, 30 years old, is dead, and Charles Adams, 19 years of age, is being held in the Brownsville police station as the result of a shooting affair at Colonial No. 1 Tuesday night. Stella Berry and Robert Miller are being held as witnesses.

Rodgers and Adams attended a dance at the Miller home on Tuesday evening, and, it is said, quarreled over who would take a girl home. It is alleged that Adams drew a revolver and fired, the bullet striking Rodgers in the mouth, causing almost instant death. Adams escaped, but was later apprehended.

## TWO MEN WHO KILLED REBECK IN THE HANDS OF THE LAW

John Firpak, aged 19, and Andy Dujak, aged 19, both of Donora, alleged fugitives from justice, were placed under arrest yesterday afternoon by the Farrell, Pa., police, and turned over to the Donora authorities this morning.

On the evening of February 6, the two young men, posing as revenue officers, entered the home of George Rebeck, a boilermaker, employed on the Pennsylvania railroad at Brownsville, but living in Donora. Rebeck and his family had just moved into the house and he and his wife were busily engaged placing their furniture, when the men demanded entrance. Rebeck interfered when the men went through his home, and a lively scuffle followed. One of the men picked up an iron stand and struck Rebeck a terrible blow on the side of the head, which caused his death shortly after.

Immediately after the attack, the young men made their getaway. They purchased tickets for Pittsburgh, but left the train at Homestead, Where all trace of them vanished.

Yesterday afternoon the two young men were placed under arrest by the Farrell police as suspicious characters. Upon learning the men were from Donora, the police there immediately communicated with the Donora police and learned the men were wanted for murder. They were turned over to the Donora authorities this morning and will be given a hearing before Justice of the Peace Charles H. Ford of Donora, the charge of murder being preferred against them. The men admitted entering the Rebeck home, but did not know of his death until this morning.

## Plans Fast In The Making For The Minstrelsy

Plans are fast in the making for the presentation of the Elks Minstrelsy to be held at the Palace theatre, Monday, March 31, Tuesday, April 1, and Wednesday, April 2. At the joint meeting held last week by the committee members and the participants, definite plans were formulated and the program will be a mixed one. A number of women will appear on the program, thus making an amplified feature for its success.

Sunday afternoon, February 17, at 2:30 o'clock another meeting will be held. At this meeting the first rehearsal will be staged, and all Elks who expect to take part, or assist in any way possible, are requested to be in attendance at this time. Johnny Jenkins will supervise the rehearsals.

## "BREAD TRUST" IS ROBBING HOMES

### Staff of Life Should Be Selling At Five Cents Pound Loaf Instead of Nine, According Legislative Service Head

### REPORT RESULT OF PROBE

### Investigation Made At Instance of Progressive Congressmen, Who "Want to Be Shown"—Millers, Bakers, And Retailers Alleged Making Big Profits

Washington, Feb. 14. — (United Press).—A colossal "bread trust" is robbing American homes of $1,000,000 a day, Basil Manly, head of the People's Legislative Service, declared today in a report to Senator LaFollette and other Progressive leaders, demanding Congressional action against the "combine."

Bread should be selling at five cents for a pound loaf, instead of nine cents, Manly said, basing his statement on the present price of wheat.

Manly's report was based on an investigation made at the request of Progressive congressmen who desired to know why bread prices remained virtually at the war level while wheat went back below pre-war prices.

Bread made from American flour is today being sold in England at four cents a pound, Manly reported. He charged that millers, bakers, and retailers are making enormous profits on flour and bread.

Manly cited the General Baking Company, which he declared in 1922 made 117 percent on each share of stock, before the declaration of two stock dividends of 100 and 300 percent in the same year. Profits for 1923 were even greater, he asserted.

As result of these alleged profits and stock dividends, one dollar invested in General Baking Company common stock in 1916 is now worth $307, Manly said.

Bread prices in American cities were declared by Manly to be "arbitrary and artificial" and violating all economic laws. Bread costs two cents less a pound in New Orleans and Houston, Texas, far away from the wheat and flour milling states, than in Chicago, Omaha, Butte, and St. Paul, all in the heart of the wheat belt, he said.

Boston, Bridgeport, New Haven and other New England cities pay less for bread than any city in the grain belt, except Kansas City, Manly reported.

These "artificial and excessive prices are fixed and maintained by retailers supported by the large wholesale bakers either voluntarily or under threat of boycott" the report charged.

## KEPPER GETS CHANCE WITH OUR CUDDY

Negotiations have been completed for the 10-round match between Cuddy DeMarco and Sig Keppen, Beaver Falls boxer, which will take place in McCreary's Auditorium, Beaver Falls, Monday night, February 25.

A report from Beaver Falls is to the effect that Keppen, knowing that he is "up against something" when he meets Cuddy, has gotten down to intensive training, as he is desirous of making a good showing against DeMarco.

It is expected that all attendance records for the Beaver Falls auditorium will be broken. DeMarco's appearance is being eagerly awaited by the citizenry of Beaver Falls, as his name and fame are synonymous with greatness in the fistianic arena. The forthcoming match is one bout that the pugilistic lovers of Beaver Falls are looking forward to with avidity.

## FEDERAL INSPECTION OF R. R. ENGINES

### THE MONESSEN BOARD OF TRADE TO HOLD BANQUET

Concomitant with the Charleroi Chamber of Commerce banquet held on Tuesday evening, the Monessen Board of Trade will hold their annual banquet in the Junior High School Auditorium of Monessen this evening. The auditorium has a seating capacity of 500, and the reservations have all been taken. The main speaker for the occasion is the Hon. James J. Davis, secretary of labor in the cabinet of President Calvin Coolidge.

The banquet is the fourteenth annual amenity of the Board of Trade of Monessen, and this year extraordinary effort has been made to make it excel even those of its predecessors. The heads of the board of trade of the city opine that they made a "10-strike" when they secured Mr. Davis as the principal orator.

The gathering will be enhanced and punctuated by the presence of national, state and county functionaries of note, which will be inclusive of Judges Dom and Whitten and county officials. Luminaries of the Pittsburgh & Lake Erie Railroad and heads of manufacturing interests in the Pittsburgh district will also grace the assemblage with their presence.

Federal inspectors of railroads and railway equipment are conducting a rigid examination of all locomotives at the Shire Oaks engine house of the Pennsylvania Railroad company, near Elrama, the largest engine repair shop and yards on the Monongahela division of the Pennsylvania railroad.

Two government inspectors appeared suddenly at the shops on Monday and since that time have conducted a rigid examination of every locomotive brought into the yards or shops. Scores of engines have been placed under the ban until repairs and adjustments are made to correspond with government regulations and requirements regarding the operation of railway locomotives, which must be kept in a safe condition at all times. The work of the government inspectors has attracted high officials of the railroad from Pittsburgh and Uniontown. Day and night since Monday the government men have been on hand at the shop carefully going over each engine which comes into the shop. After the foremen and mechanics have outlined the repairs to each engine, they inspect the locomotive, also, name repairs or adjustments. A number of engines which have been traveling along the local division of the Pennsylvania and stop in the yards have also been inspected by the officials and if repairs are found needed the engine is ordered to the shops immediately. Freight traffic has been held up due to lack of engines for hauling loads on the division since the advent of the inspectors at the Shire Oaks shops. It is thought the officials are to conduct an inspection at all valley engine shops and yards after completing their work, which will likely continue throughout the week. A slight shortage of experienced mechanics and helpers at Shire Oaks will likely hold up the work of repairing the engines for some time due to the immense amount of work demanded by the inspectors.

## Fire Burns An Auto; Leaking Tank The Cause

A Chevrolet touring car, belonging to James Crookham of Van Voorhis, was destroyed by fire on the Bentleyville-Van Voorhis highway Tuesday night, when the gasoline tank, thought to have been leaking, suddenly ignited and before the flames could be extinguished, the car was consumed. The fire started along the feed pipe of the engine, while Crookham was making repairs to the ignition system.

John Humecz, aged 44 years, of Finleyville, was injured yesterday morning in New Eagle when a street car struck a touring car which he was driving near the Riverview switch. Humecz was thrown out of the machine by the force of the crash. The car traveling toward Monongahela from Riverview struck the front end of the machine he was driving down Keenan's road below Quinn park. Humecz was slightly injured. The car was damaged slightly and later was driven to his home.

Dennis McFadden, aged 76, a former well-known resident of Monongahela, died Tuesday at his home in Mt. Washington, Pittsburgh. The funeral was held yesterday at the late home and the remains taken to Coal Center for interment. The McFadden family resided in Monongahela for a number of years. One son, Edward, was formerly employed as manager of the Towner department store and a daughter was employed in one of the city stores.

### INJURED IN ACCIDENT STILL UNCONSCIOUS

Inquiry at the Brownsville General hospital this morning was to the effect that Harvey Henshall and Miss Anna Svaknosky, California folk, who were seriously injured in a coasting accident which occurred Tuesday night, in California, are still in an unconscious condition. Their many friends and relatives entertain little hope for their recovery.

## LOCAL SCHOOLS HAVE A BRAN NEW BAND

On Friday evening, February 15, the Charleroi High School boys will play Elizabeth High School at the local gymnasium and as an added attraction the local fans and students will have the privilege of listening to the Charleroi Public School band for the first time.

This newly organized band is under the direction of Carl Behrendt, whose reputation as a band leader is well-known in this valley. At the present time the band consists of nineteen pieces, and is made up of students from the various Charleroi schools.

It is through the efforts of Prof. T. L. Pollock that this phase of school activity has become a reality. Prof. Pollock is very much interested in school bands. If the developement of the school band continues at its present rapid pace by next foot-ball season, Charleroi will be represented by a musical organization second to none.

Undoubtedly a large number of students and town patrons will be on hand to encourage this enthusiastic school organization as it makes its first public appearance.

The game will begin at 8 o'clock.

### PIONEER OF THE BOROUGH DEAD

John Hostnik, aged 74 years, 7 months, a pioneer settler of Charleroi, died yesterday afternoon at 2:45 o'clock, at his late residence in 600 Lookout avenue, and Sixth street, following a week's confinement to his home. The deceased, however, had been ailing for several years, due to heart trouble. Mr. Hostnik, who is wellknown in Charleroi, was born in Austria, July 3, 1849. He was a retired blacksmith, coming to Charleroi with the Pittsburgh Plate Glass company. The deceased has been a member of the Charleroi lodge, I. O. O. F., since January 21, 1892, and was also a charter member of the Concordia Singing society of this place. The following survive: His widow, Mrs. Kathryn Hostnik; three sons, Anthony, Frank and Charles, of Charleroi; one brother, Andrew Hostnik of Charleroi. Another brother in Collinsburg died January 29 of this year, and the deceased was present at the funeral services.

Funeral services will be held Saturday afternoon at 2 o'clock in charge of the I. O. O. F., at the late residence. Interment will follow in the Charleroi cemetery.

### CARD PARTY AT THE DUGOUT IS SUCCESSFUL

The American Legion Auxiliary card party held in the American Legion rooms last night proved a pleasing success. Mrs. Mary Brady was chairlady of the committee, and a number of the ladies cooperated with her in planning the affair. The Dugout presented an appropriate scene for the occasion, the ladies having decorated it with hearts to suit the occasion. Bride and 500 were played and there was about about 150 people in attendance.

Dr. Paul Trnavsky, Post commander, gave a short talk on the good work of the Legion and the Auxiliary. He read several letters which had been received by the Auxiliary in answer to the Christmas boxes sent to the boys in the hospitals. He did this hoping to show the great work that the Legion and Auxiliary must carry on.

The Auxiliary wishes to thank all those who helped make the party a success. They also wish to thank St. Jerome's church for the use of the tables and chairs.

## Beaten About Head With Bed Slat, Donora Negro Is Removed to Hospital

Oscar Townsend, 30 years old, colored, of Donora, is a patient in the Monongahela Memorial hospital suffering from wounds about his head as the result of being struck by a bed slat, alleged in the hands of one James Julian, colored. The two men are said to have engaged in an altercation at their boarding house Tuesday night. Townsend was struck by Julian as the latter was being pursued by Townsend. Julian ran into a bedroom and seized the bed slat, striking Townsend a vicious blow on the head as he entered the room with a poker in his hand bent on attacking Julian.

Townsend was removed to the office of a Donora physician, where he received medical treatment. Later he was taken to the Memorial hospital, where his condition is said to be satisfactory. Julian was arrested by police following the affair, and was lodged in the jail at Donora to await a hearing.

### MRS. RABE PASSES AT DONORA

Mrs. Doris Forbis Coulter Rabe, aged 49 years, wife of James A. Rabe, wellknown undertaker of Donora, died Wednesday afternoon at 2:45 at her home, Sixth street and Thompson avenue, Donora. Mrs. Rabe was born November 8, 1874, in Carroll township, near Charleroi, the daughter of Robert and Mary Jane Coulter. In 1902 the family moved to Donora, and in 1903 she was united in marriage with James A. Rabe in the Methodist Episcopal church, Donora. Mrs. Rabe has been in ill health for the past seven years, and for some time past she has been confined to bed. Death was due to a complication of diseases.

Besides her husband she is survived by one daughter, Dorothy Frances, the following brothers, Edward Coulter of Monongahela, Joseph Coulter of Eldora, Charles Coulter of Maple Creek, Roland Coulter of Bentleyville, and one sister, Mrs. Mae Dunn of Donora.

Funeral services will be held at her late home, Saturday afternoon at 2 o'clock, in charge of Rev. W. E. Boetticher, pastor of the Methodist Episcopal church, and Rev. R. L. Erhert, pastor of the Brownsville M. E. church. Private interment will be made in the Monngahela cemetery, at 3:30.

## Body of G. C. Carter Of U. S. Navy Being Sent From Philippines

J. C. Carter, of East Finley township, near Old Concord, received word yesterday that the body of his son, Glenn C. Carter, aged 20 years, who died at the Naval hospital, Canacoa, Cavite Island, Philippine Islands, Dec. 13, as a result of sickness contracted while on duty on the U. S. S. Hulbert, would arrive at Claysville next Sunday afternoon. The Hulbert had been in Philippine waters for a year and a half

Enlisting in the navy in 1919 when he was 16 years of age young Carter had served one enlistment and was serving his second when stricken. He had been in the navy four and a half years.

For valiant service to his country during his first enlistment he had received a gold medal. The secretary of the navy had personally commended him for his heroism and initiative in helping stop an oil fire which had broken out on the ship.

Besides the father the young sailor leaves the following brothers and sisters: Leeroy, Leanna, George, Margaret and Mary Carter, all at home.

Funeral services will be held in the Claysville Methodist Episcopal church Tuesday afternoon, February 19, at 1 o'clock. Interment will be in the Claysville cemetery.

## A CITY'S PROGRESS.

Claude E. Towner, a successful business man of Monongahela, told the concourse at the Chamber of Commerce banquet Tuesday night, of that city's prosperity, brought about largely through the efforts of the City Planning Commission, of which he has the honor of being chairman. Aside from the clear and concise information given by Mr. Towner in the gentleman in that he gave of his time to make the address, and the further fact that his remarks were not surfeited by a spirit of boastfulness or exaltation, realms in which he might have ascended rightfully, considering the returns that have accrued in Monongahela through the indefatigable efforts of Mr. Towner and his colleagues, aided and abetted by the city council.

In another sense the people of Monongahela can reasonably and righteously take commendable pride in their uniting with the Commission and the city council in bringing about the desired and needed results. And it is refreshing to know, and cause for congratulation that the enterprising men comprising the Commission, the city council, and the people of Monongahela have not "laid down their oars" in civic betterment, but are following the guiding star of hope and progress in the arena of "more worlds to conquer."

The address of Mr. Towner was indeed inspirational in its tendencies, and it is to be regretted that every male and female resident of Charleroi, taxables, and those who have the right of franchise, did not hear the sage remarks of the gentleman and gain knowledge of the operations of a Commission. Mr. Towner's remarks were particularly of interest and appealing at this time, when the project of a Borough Commission for Charleroi is being promulgated by the Chamber of Commerce. It is self-evident to Charleroi, with due credit to Monongahela, that the majority of things which has veen done to promote the interests of Monongahela can as will bear fruition in Charleroi. Mr. Towner's address is a stirring of the natural impulse, a quickening of the heartstrings of civic pride, and an incentive for Charleroians to be up and doing. Never mind the sluggards, let them sleep; join the men and encourage those who have the public interests at heart, as have the Chamber of Commerce and the Borough council. A Borough commission will mean progress, will assist very materially in solving many of the intricate problems with which Charleroi is confronted and vested. The proposition has been placed before the borough council, and favorable action will doubtless be taken by the body to consolidate with the Chamber of Commerce in seeing to it that the borough has, in the near future, a Borough Planning Commission.

## A Brief for the Passage of The Soldiers' Adjusted Compensation Bill

By John Thomas Taylor, Vice Chairman, National Legislative Committee, The American Legion

To be published in six installments

**The Bill Does Not Need An Accompanying Revenue Measure.**

The bill vetoed by the President was drawn in the belief that it fairly and squarely meets the objections raised to the immediate payment of Adjusted Compensation. The elimination of the cash feature as an option of the bill has brought a reduction in the cost from $850,000,000 during the first two year period, to $242,000,000 for the first three-year period, and obviated the necessity of an accompanying financial measure. It has been shown that the cry of poverty raised by opponents when action pended on the Bill, has been fallacious. The fiscal year 1922 ended with a surplus of $313,000,000, and the fiscal year 1923 ended with a surplus of $309,000,000. Either of these sums is greater than the entire cost of Bill for the first three years, yet during each of these years delay was asked because it was predicted that the Government could not afford the passage of the Bill during that year because of the condition of its finances.

Since these objections were made, Great Britain's debt to us has been funded, and England has agreed to pay us $179,000,000 for 62 years—and is paying it. This annual British payment is far greater than the average annual payment under the Adjusted Compensation Bill as estimated by the actuaries of the Treasury Department. The total sum which she has agreed to pay—and is paying — is $11,105,000,000.This sum is more than twice the $3,845,000,000 which the Treasury Department actuaries estimate as the total cost of Adjusted Compensation. This settlement by Great Britain has altered the situation greatly, and we are now receiving from her nearly twice as much money annually as is needed to meet the payments under the Adjusted Compensation Bill.

Conditions in the country are vastly improved.

Business is on the boom. Railroad and industrial stocks and bonds have increased hundreds of millions of dollars in value; Liberty bonds are near par, and the $7,500,000,000 of Government short term obligations have been refunded at low interest rates, at which they were heavily over-subscribed. More than $20,500,000,000 worth of securities have been issued and absorbed in this country, while the Adjusted Compensation Bill has been before Congress and in this same period more than $2,177,000,000 of this sum has been loaned to foreign governments and corporations — nearly twice the first twenty-year payments under our bill. In the face of these enormous financial transactions the Government operations have been completed and the public debt has been reduced by $1,500,000,000—more than the entire cost of our bill.

'A GOOD STRONG STATE BANK FOR ME!'

This remark recently overheard in the local postoffice, expresses the sentiments of a vast majority of people in the United States.

State banks are so great in numbers because they are best adapted to serve local interests. The State laws not only assure this, but they insure a safe depository for your savings.

Here at this live, progressive Bank we are proud of our State Charter, but prouder still of our live, growing circle of depositors.

Put a New Surface on Your Bathtub

DON'T allow your bathtub to look battered and chipped when a coat of SO-E-ZY Bathtub Enamel will make it bright and shining.

Hot water does not effect this enamel, and your bathtub or sink, or the inside of your refrigerator will have a bright porcelain-like finish after an application.

Ten So-E-ZY Finishes are made to cover every household want and can be used for refinishing any interior surface.

Furniture, floors and woodwork lose their old worn appearance under SO-E-ZY Varnish Stain and blinds, stoves and radiators take on new life.

SO-E-ZY Finishes are scientifically made to cover the greatest surface and the cost of refinishing will be surprisingly small.

There is a SO-E-ZY Finish for any requirement. We will tell you what one to use for any article you have in mind and will give you the cost of the material required to make it look like new.

## UNCLE SAM COLD TO HER GENIUS

New York, Feb. 14—Ganna Walska, opera singer, impresario, and wife of the wealthy Harold F. McCormick, is going back to "that warm-hearted Paris" because she found the United States cold to her genius.

She will sail Saturday on the Bergengaria.

Mme. Walska has a new playhouse in Paris—the Theatre Des Champs Flyssees, which her husband bought her so she may give a Mozart Festival, in which she will appear in June.

Some of the members of the Wagnerian opera company, which she supported financially during its unsuccessful season here, are working their way back to Europe.

# In Society's Realm

The Jane Allen club of the Christ Lutheran church will hold their regular meeting this evening at the home of Mrs. Clyde Brouse of Fallowfield avenue.

Miss Anna B. Kirk of Fifth street will entertain the members of the Delta Theta club at her home this evening. An enjoyable time is anticipated.

Mr. and Mrs. Robert Klein of Third street, Luella avenue, tendered their son Edward a birthday party last evening in honor of his third birthday anniversary. There were nine small guests present who spent an enjoyable evening in games. Mrs. Klein concluded the evening by serving a dainty luncheon and the guests departed wishing Edward many more happy birthdays.

A number of friends and neighbors of Mrs. Joseph E. Hancock gathered at her home in Lookout avenue last evening and accorded her a pleasant surprise to celebrate her birthday anniversary. The time was happily spent in card playing and games and a dainty luncheon was served by Mrs. Wilmot Hancock, appointments being carried out in accordance with the season. The honored guest was the recipient of many appropriate gifts.

At a recent meeting of the Home and Hospital club of North Charleroi, arrangements were completed for an oyster supper which will be held in the Borough Hall, North Charleroi, February 22. The proceeds realized from the supper will be used for the furnishing of a room in the new addition which will be built to the Charleroi-Monessen hospital in the near future. The ladies are establishing a fund for this purpose and numerous social events will be held in order to raise money for this worthy cause. The supper will be served by the ladies from 5 to 9 o'clock and tickets will be on sale at 50 cents each.

At the home of Mrs. Albert Brown of 101 Prospect avenue last evening the regular weekly meeting of the Friendship Euchre club held an enjoyable session with a splendid attendance. The evening was spent in card playing, four tables being in play. Mrs. Dan O'Rourke, Mrs. George Rigby, Sr., Mrs. John Cooper and Miss Cecelia Hurley were awarded the favors. In closing Mrs. Brown assisted by Mrs. Leonard Brand served a dainty luncheon, carrying suggestions of the Valentine season. The next meeting will be held Wednesday, February 20, at the home of Mrs. Jerry Calistri, McKean avenue.

# WILDCATS EASY FOR A NIMROD

Pocono Lake, Feb. 14—(U. P.)—Harrison Slutter is hailed here as the champion wild-cat hunter in Pennsylvania and the State Game Commission backs it up.

Slutter recently sent them the pelts of eight wild cats one of them as large as has ever been seen in this section, for which he will receive $120, the bounty having been increased on wild cats recently to $15 per.

## A GUARANTEED REMEDY FOR PILES

Go to Hennings' today, hand them 30c and say, "I want a jar of San Cura Ointment" and if you aren't satisfied—your money back.

"For twenty years I suffered with bleeding and itching piles; at times I was confined to the house for more than a month. Two years ago I began using San Cura Ointment and one 60c jar made a firm and permanent cure. I have not been troubled since." —Rev. W. F. Gilbert, Titusville, Pa.

It draws out poison; that's the secret of the wonderful success of San Cura Ointment; that's why it so quickly heals scalds, burns, cuts, bruises, and eczema. It's best to use San Cura Soap at all times; it is a great aid in banishing pimples, blackheads and the germs of disease. 25 cents at Hennings' Drug Store.

## COULD NOT WALK BECAUSE OF PAIN

Bad Case of Woman's Illness Remedied by Lydia E. Pinkham's Vegetable Compound

St. Louis, Missouri.—"I had such a bad case of female trouble that I could not walk because of the pains from inflammation. My back was all done up. I could hardly bend, could not go up stairs because of weakness, and no one could possibly be in worse shape than I was. I have taken twelve bottles of Lydia E. Pinkham's Vegetable Compound, and I am a strong woman now and can work down any of my neighbors. They wonder how I can do so much work. I dare say that I have recommended your medicine to a thousand women. A little book was thrown at my door, and that is how I first learned of it."—Mrs. D. M. BEAUCHAMP, 1104 Morrison Avenue, St. Louis, Mo.

Letters like this bring out the merit of Lydia E. Pinkham's Vegetable Compound. They tell of the relief from such pains and ailments after taking Lydia E. Pinkham's Vegetable Compound.

In a recent country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound, 98 out of every 100 report they were benefited by its use. For sale by druggists everywhere.

# They Paid $200,000,000

## for Studebaker cars last year

### *Find out why folks did it*

LAST year 145,000 people paid over $200,000,000 for Studebaker cars.

The demand for these cars has almost trebled in three years. It has become the sensation of Motordom.

There is a new situation in the fine-car field. You should learn what it means to you.

* * *

Studebaker had to lead in this field. This concern has led in its lines for two generations. Any other place would be unfitting.

This is how we became the world's largest builders of quality cars.

**$90,000,000 assets**

Studebaker has $90,000,000 of assets. Of this $50,000,000 is invested in modern plants and equipment.

We have spent $32,000,000 for new plants and equipment during the last five years. So they are modern and efficient. They contain 12,500 up-to-date machines.

We have $8,000,000 in drop forge plants, $10,000,000 more in body plants. So we build complete cars without paying other makers profits.

We spend $500,000 yearly on an engineering staff. There are 125 skilled men employed in our department of Research and Experiment. They make 500,000 tests per year.

We employ 1,200 inspectors. Each Studebaker car must pass 30,000 inspections during manufacture before it leaves the factory.

Those enormous facilities enabled us to produce the utmost in a car. And we had the will to do it.

**No stinted costs**

We never stint on costs. Every steel used is the best steel for its purpose, regardless of the price.

Then on some steels we pay makers a 15 per cent bonus to insure exactness in them.

* * *

Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under $5,600 in America.

The Light-Six more than any competitive car within $1,000 of its price.

* * *

We use genuine leather upholstery.

We use Chase Mohair for the closed car upholstery. Some good upholstery would cost $100 less.

To curb vibration, we machine all surfaces of crank shafts, as was done in Liberty Airplane Motors. Very few cars do that.

**How such prices?**

How can we give such extra values—scores of them—yet sell at our low prices?

Because these values brought us buyers—145,000 last year. The major extra costs are divided by enormous output.

Let us show you the extras you get, because of these matchless facilities.

**Learn Why 145,162 Bought Studebakers in 1923.**

Studebakers hold the top place in the fine car field today.

In 1919, the public paid over $80,000,000 for 39,356 Studebaker cars.

In 1920, the public paid over $100,000,000 for 51,474 Studebaker cars, an increase of 31% over 1919.

In 1921, the public paid over $120,000,000 for 65,643 Studebaker cars, an increase of 29% over 1920.

In 1922, the public paid over $155,000,000 for 110,265 Studebaker cars, an increase of 66% over 1921.

In 1923, the public paid over $201,000,000 for 145,162 Studebaker cars, an increase of 32% over 1922.

In 1924, business has opened with Studebaker as never before.

Learn why all these buyers preferred Studebakers.

# COMPANY A FAILS TO PLAY HERE

The largest crowd of the year turned out Tuesday night to see Company A and the Hill Top Athletic Club play basket ball, but were sadly disappointed. Company A failed to appear for the game without sending any word that they would not be on hand. After waiting until 9:30 for Co. A to make their appearance, the club manager was fortunate in being able to secure the Ramblers as a substitute in order that the crowd might not miss a game. This contest was easily won by the H. T. A. C. the score being 52-15.

The fans and followers of the club team are thoroughly disgusted with the unsportsmanlike attitude that Company A has shown. This is not the first time they have scheduled games away from home and then failed to appear. The same trick was played on the Monessen Rangers, and it has been said that Carmichaels was "stung" in a like manner.

Any team with this policy can not hope to keep in the good graces of [illegible] that sponsor real sportsmanship.

This evening the H. T. A. C plays the Pennsylvania Railroad team on the H. T. A. C. floor, the contest is scheduled for 8.30 o'clock.

## Good-bye Stained Teeth

New Safe Treatment Bleaches Dark Teeth in Three Minutes

Dentists have discovered a new safe treatment which bleaches stains from teeth, giving yellow discolored teeth a beautiful flashing whiteness. It is called Bleachodent Combination, and consists of a remarkable liquir which curdles or softens the stains—and a new kind of paste, which instantly removes the softened stains, and prevents new stains from forming. Simply brush the teeth with a few drops of the liquid—then use the paste—and even the dullest teeth are quickly whitened. Tobacco stains disappear after first few applications. Bleachodent Combination was first made for children's teeth to avoid the use of [illegible] which are so harmful to children's soft sensitive teeth. While Bleachodent Combination will instantly remove surface stains, do not expect it to remove stains caused by silver fillings, as these are below the enamel, and Bleachodent Combination is not intended to act on the enamel in any way. Fine for the gums. Bleachodent Combination is widely used and recommended. Costs just a few cents, and money back if not delighted. Get it today at all good dealers, such as Piper's Pharmacy, Hennings' and Wagner's Drug Store.
